

Nesting Table's Installation Guide and Legs Dimensions

Long Height: 51cm 3 pcs.

Middle Height: 47cm 3pcs.

Short Height: 43 cm 3 pcs.

- The markings under the table are made to show the locations of the legs.

- The markings under the table are not defects, they are designed to help you.

- In the screwing step, turn the screws after putting them into their plastic sockets. These plastics will prevent the table from being deformed.

Dimensions Of the Installed Nesting Tables
